 Holy Hour at Our Lady of Fatima on First Friday at 7:30 pm.  
  
 Pope Paul VI states that the Eucharist is reserved in the church as the "spiritual center" of the parish. He wants everyone to understand "the incomparable dignity" that The Divine Eucharist bestows upon the Christian people. He proclaims that Christ is truly the Emmanuel, that is, "God with us," and that He proposes His own example to those who come to Him that all may learn to be like Himself, meek and humble of heart.

 In today's Gospel we see how, in faith, Jarius asked Jesus to heal his daughter and how Jesus then answered his prayer. In prayer we also come to know that we are loved by God, and in that trust we ask for healing for ourselves, our loved ones and all those who are suffering.  
**This week, please join with the Society of St. Vincent de Paul in praying for the healing of all those who are ill and especially those who have no one to pray for them.**

**The Catholic Ministries Appeal**

As you know, the monies collected from the Ministries Appeal goes to fund a number of worthwhile ministries in the diocese, such as The Major Seminary in Huntington, Catholic churches, partial funding of the diocesan high schools, and the salaries of the staff at the pastoral center of the diocese. We have been assessed at \$105,000; so far we have pledged \$98,500. This is very good. We are within reach of our goal. When we achieve the goal, we get 20% back to the parish. Anything over the goal is split, 80% to the parish and 20% to the diocese. Our hope is to meet the goal.

Thanks to Irene Bergin and her committee. They are doing wonderful work. And thanks to you for your generosity.

**The Bereavement Group**

Since 1991 St Peter's and Our Lady of Fatima have come together to form the Bereavement Support Group. The team reaches out in love, prayer and sympathy to all those grieving with an invitation to join their group at any time. Members of all faiths are welcome. We come together every Friday night at 8 pm in the Pastoral Center to share stories, and listen with compassion and understanding to help ease the healing process. Team members are always available for information, a phone call or a confidential conversation for a grieving widow, widower, parent, sibling, or friend of a bereaved.

An acknowledgement of your offering will appear in the Bulletin. Also, a card will be available to send to the person being remembered or to the family of the deceased. Please stop by the Rectory to make arrangements. Thank you for your thoughtful generosity.

**OUR FAITH OPEN US TO NEW POSSIBILITIES**

We often express gratitude for our faith; today's reading invite us to reflect on how profoundly that faith influences our view of the world, our actions, and our selves.

Creation is holy, the Wisdom writer suggests-"wholesome". And we, made in God's own image, are infused with the divine. We are in constant relationship with a God of wonder who transforms us, heals us, turning our "mourning into dancing". "Do not be afraid, just have faith", says Jesus to an anxious father. A woman isolated through illness hears, "Your faith has saved you. Go in peace." Faith, Jesus says, is everything: It allows the seemingly impossible.

Holiness. Relationship. Healing Transformation. All seem connected in the vision of faith fashioned in today's readings. A faith grounded in beauty and wonder challenges us to treat the earth and each other as precious. A faith enlivened by the Holy Spirit invites our participation in the mission of Jesus, of God who embraced our humanity.

With Jesus, we are invited to build the kingdom through loving encounter. Faith invites us to consider possibilities: to act in hope affirming the holy, the wondrous; to commit to the seemingly impossible as agents of transformation in our time and place.

At the heart of our faith we meet a God who urges us to recognize the holiness that is, while working toward what might be.
